

## § 148.7

## 17 CFR Ch. I (4–1–15 Edition)

(5) Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, test, project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant's case.

### § 148.7 Rulemaking on maximum rates for attorney fees.

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), the Commission may adopt regulations providing that attorney fees may be awarded at a rate higher than \$75 per hour in some or all of the types of proceedings covered by this part. The Commission will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedure Act, 5 U.S.C. 553.

(b) Any person may file with the Commission a petition for rulemaking to increase the maximum rate for attorney fees, in accordance with § 13.2 of this chapter.

### § 148.8 Awards against other agencies.

If an applicant is entitled to an award because it prevails over another agency of the United States that participates in an adjudicatory proceeding before the Commission and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

## Subpart B—Information Required from Applicants

### § 148.11 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the adjudicatory proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the Commission or other agency that the applicant alleges was not substantially justified.

Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)).

(c) The application shall state the amount of fees and expenses for which an award is sought.

(d) The application may also include any other matters that the applicant wishes the Commission to consider in determining whether and in what amount an award should be made.

(e) The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

### § 148.12 Net worth exhibit.

(a) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 148.4(f) of this part) when the adjudicatory proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and

liabilities and is sufficient to determine whether the applicant qualifies under the standards in this part. The Presiding Officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the adjudicatory proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the Presiding Officer in a sealed envelope labeled “Confidential Financial Information,” accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the Commission or other agency against which the applicant seeks an award, but need not be served on any other party to the adjudicatory proceeding. If the Presiding Officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the adjudicatory proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Commission’s established procedures under the Freedom of Information Act as provided in part 145 of this chapter. For that purpose, the applicant shall file a copy of its motion with the Commission’s Freedom of Information Act Compliance Staff in the Office of the Secretariat, Washington, DC.

#### **§ 148.13 Documentation of fees and expenses.**

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, test, project or similar matter, for which an award is sought. A separate itemized statement shall be

submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The Presiding Officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

#### **§ 148.14 When an application may be filed.**

(a) An application may be filed whenever the applicant has prevailed in the adjudicatory proceeding or in a significant and discrete substantive portion of the proceeding, subject to the separate hearing procedure pursuant to § 10.63(b) of this chapter, but in no case later than 30 days after the Commission’s final disposition of the adjudicatory proceeding.

(b) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy.

(c) For purposes of this rule, final disposition means the later of

(1) The date on which an initial decision by the Presiding Officer becomes final pursuant to § 10.84 of this chapter;

(2) Issuance of an order disposing of any petitions for reconsideration of the Commission’s final order in the proceeding pursuant to § 10.106 of the Rules of Practice;

(3) If no petition for reconsideration is filed, the last date on which such a petition could have been filed pursuant to § 10.106 of the Rules of Practice; or

(4) Issuance of a final Commission order or any other final resolution of a proceeding, such as a settlement or voluntary dismissal, which is not subject to a petition for reconsideration.
